stylish solutions for walls and ceilings

product legend

Applications

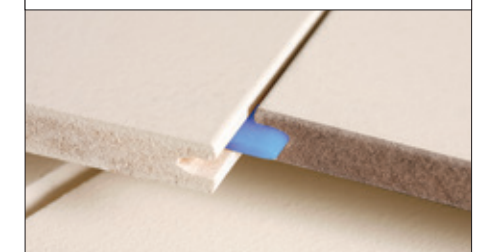

- GP General Purpose Interior Walls & Ceilings
- WA Wet Area Interior Walls & Ceilings (Bathroom, Laundry, Kitchen)
- SE Semi Exterior Walls & Ceilings (Alfresco, Eaves, Verandah)

All General Purpose, Wet Area Interior and Semi Exterior products are preprimed ready for final coat application. **Note:** Length & width dimensions (mm) shown are nominal only. Please check board sizing on delivery. E&OE.

General Purpose Interior

Wet Area Interior / Semi-Exterior

Installation made easy

Easycraft panels include the easyJOIN+ system that allows for a fuss free, quick installation. The panels are identified by a green tongue for general purpose interior and a blue tongue for wet area interior and semi-exterior applications.

Silhouette range

Crafted by the architectural and design communities, this innovative range of decorative panels provides depth, distinction and texture for your next unique design. Available in a range of different profiles and spacings, the tactile nature of the Silhouette profiles play with light to produce organic shapes and shadows.

Suitable for:

- General purpose interior wall and ceiling linings
- Residential and commercial applications

Product features:

- Made from high quality machine grade Moisture Resistant (MREO) MDF
- Designed to feature dramatic lines and shadows
- Primed and ready to paint for fast, easy installation
- Consistent finish with no knot holes, splitting or splinters
- High impact resistance sheeting, 300% tougher than plasterboard
- Tongue & groove joining system for a seamless install
- Australian Made & Owned
